Fast track option is \$8 per book for the first 25 books and \$7 each for books 26+. It applies to all books listed on the submission form. Fast track orders will be completed before standard submissions. Check website homepage for current standard and Fast Track turnaround times.

Optional pre-press pre-screen service: Select "Yes" to have books evaluated for current and potential grades before pressing is performed (additional fee \$4.50 per book). Defects and the current and potential (post-press) grade estimates will then be provided in a report before starting work. You then have the opportunity to advise if you want each book serviced or shipped back to you (or to CGC) without servicing. If no selection is made prescreening will not be performed and the book will be cleaned and pressed.
